

## THE Cimeter.

W. H. TWINE . . . Editor.

Published Every Week in the Interest of the Negro by Cimeter Publishing Co. Entered at the Post Office at Muskogee, Okla., as Second Class Mail Matter.

Sengtor Borah who was recently charged with land frauds in his state made a speech in the United States senate in which he compared the Negro soldiers with Harry Orchard. The Negro soldiers were charged with shooting up Brownsville with no evidence to support the charge while United States senator Borah was charged with fraudulently dealing in government lands with plenty of evidence against him. Borah of course could not be convicted without a trial and having the benefit of "a reasonable doubt" he escaped punishment—he is white. The soldiers were convicted without trial for what they did not know—they are black.

### CALL FOR REPUBLICAN CONVENTION.

L. W. Baker, Charman.

April 6, 1908.—To the republican voters of the fourth Congressional District of Okla., composed of the counties of Atoka, Bryan, Carter, Choctaw, Coal, Haskell, Hughes, Johnson, Latimer, LeFlore, Love, McCurtain, Murray, McIntosh, Marshall, Muskogee, Okfuskee, Pontotoc, Pittsburg, Pushmataha.

In compliance to a call issued by state chairman, Hon. A. S. McRea of Muskogee, and by virtue of the power invested in me as chairman of this congressional district, I do hereby call a mass convention to convene in the town of Coalgate, Oklahoma, May 6, 1908, for the purpose of electing two delegates and two alternates to attend the convention which convenes in the city of Chicago June 16, 1908, also one presidential elector.

This action is taken in view of the fact that the colored republican was discriminated against in the congressional convention held in this city January 21, 1908. The said meeting was predominated over by lily whitism which is contrary to the fundamental prin-

cipals of republicanism.—Ex.

The above clipping shows the temper of republicans of the fourth Congressional district, this spirit is found all over the state. Lilywhitism is damning the party in Oklahoma.

### "JIM CROW" WHITE FELLOW CREATES A ROW.

On Sunday night a white "feller" who is doubtless much in favor of jim crow cars became enamored of a colored damsel to such an extent that he threw laws, customs, prejudices and precautions to the winds in his mad desire to locate her place of abode. He succeeded. That is, he found her lodging place by stealthily following her and no sooner there than he began making passionate avowal of undying affection. But ere he had persuaded the colored damsel of the uselessness of their lives when lived apart, the girl's lover (colored) appeared and proceeded to show his hatred of race mixing in general and to this case in particular. So strenuous did this young lover show his objection to the violation of law that the head of the aforesaid white "feller" running counter to his objections, became badly damaged and was sent to the shop for repairs. The next morning the colored man paid his Homer for something, we know not what.

Why don't these white apostles of jim crow let the colored girls alone and then there will be no cause for the Evening Democrat to howl about social commingling. It seems to us that the judge should have given this white "feller" who sought to violate Bill Murray's emergency jim crow law a good stiff fine and discharged this colored lover with words of praise and commendation for his manly stand for law and order. The incident of being compelled to use force to put the law into effect might have been overlooked.
